## Dear Friends,

We are pleased to invite you to participate in the **"ISO-ISMPOCON 2025"** conference, which will be held from **31<sup>st</sup> October, 01<sup>st</sup> & 2<sup>nd</sup> November 2025** at **Mahatma Gandhi Medical College Hospital, Jaipur.**

The joint collaborative conference of the Indian Society of Oncology (ISO) and Indian Society of Medical & Paediatric Oncology (ISMPO) societies is organized every two years and we are grateful to the Executive Committees of the two major oncology bodies in India to have allotted the 2025 conference to Jaipur and to the Mahatma Gandhi University of Medical Sciences & Technology. We propose to hold the conference on our campus.

The theme of the conference is **"Winning the Battle Against Cancer- From Insights to Impact !"**

The program will bring together pioneering minds from research, clinical practice and stalwarts of the medical field to push forward the boundaries of cancer care. Our goal is not only to deepen insights but to drive impactful changes in patient outcomes.

This conference will be a catalyst for collaboration and inspiration, empowering each participant to contribute to the global fight against cancer with renewed knowledge, tools, and hope.

Set against the vibrant backdrop of Jaipur, also known as the Pink City, this conference offers a unique blend of scientific rigor and cultural richness. With its majestic palaces, intricate architecture, busy markets and trademark culinary delicacies, Jaipur provides an inspiring atmosphere to learn, connect, and unwind. The city offers delegates' a memorable experience, combining groundbreaking discussions with the allure of Rajasthan's rich history and colorful traditions.
